- **NEON ARRIVAL** blends acoustic-driven melodies with soaring, full-band production—delivering hooks, harmonies, and storytelling with a nostalgic
- 90s feel and modern edge. Their recent releases, “Daydream” and “Darling,” showcase both their wide appeal and emotional depth.

Known for engaging live performances (available both as acoustic duo and full rock band), the band brings high-energy, feel-good sets to summer stages—from county fairs to festival crowds.

Authentic, crowd-connecting, and built for the moment—Neon Arrival is a perfect fit for any lineup.

### SOUNDS LIKE:

- Third Eye Blind
- Goo Goo Dolls
- Collective Soul
- Matchbox 20
- Barenaked Ladies
- Rascal Flats
- Butch Walker
- Guster

Neon Arrival’s cross-genre appeal reaches a wide audiences, and fits into today’s eclectic playlists.

The flexibility keeps the sound fresh, while opening doors for future collaborations and performances.

Neon Arrival reconnects listeners to feelings of the past with new music for today.
